ARKANSAS DEPARTMENT OF
POLLUTION CONTROL & ECOLOGY

LOCATION - SUBJECT: Commission Review and Approval of the Craighead County Regional Solid Waste Management District Standards for Licensing of Solid Waste Haulers

MINUTE ORDER NO. 92-103

Request for Approval

WHEREAS, the Arkansas General Assembly promulgated the Arkansas Solid Waste Management Act(Act 237 of 1971) and associated Solid Waste Management Code of March 23, 1984 to establish rules and regulations for providing adequate solid waste management systems for all areas of the state of Arkansas; and

WHEREAS, the Arkansas Pollution Control and Ecology Commission has established classifications of haulers and promulgated minimum standards to be used by Regional Solid Waste Management Boards for licensing haulers of solid waste; and

WHEREAS, Section 8-6-721 of Act 752 of 1991 gives the Commission authority of oversight and approval of licensing rules and regulations established by the Regional Solid Waste Management Boards;

THEREFORE, the Commission hereby approves the attached standards for licensing haulers of solid waste submitted by the Craighead County Regional Solid Waste Management Board.
