RE: City of Sheridan Inspection
AFIN: 27-00022 Permit No.: AR0034347

Dear Mr. Fitzgerald,

On April 13, 2016, I performed a Compliance Evaluation Inspection of the above referenced facility in accordance with the provisions of the Federal Clean Water Act, the Arkansas Water and Air Pollution Control Act, and the regulations promulgated thereunder. A copy of the inspection report is enclosed for your records.

Please refer to the “Summary of Findings” section of the attached inspection report and provide a written response for each violation that was noted. This response should be mailed to the attention of the Water Division Inspection Branch at the address at the bottom of this letter or e-mailed to Water-Inspection-Report@adeq.state.ar.us. This response should contain documentation describing the course of action taken to correct each item noted. This corrective action should be completed as soon as possible, and the written response with all necessary documentation (i.e. photos) is due by **June 11, 2016**.

If I can be of any assistance, please contact me at mcadoo@adeq.state.ar.us or 501-683-0827.

Sincerely,

Erica McAdoo
District 9 Field Inspector

SUMMARY OF FINDINGS						
1. A few areas of erosion were observed on the banks of the lagoons. This is a violation of Part III, Section B.1.A of the permit. 2. Vegetation surrounding the lagoon is in need of maintenance as required by Part III, Section B.1.A of your permit. I understand you must wait until the banks are dry in order to get the necessary equipment in the area.

Dear Erica McAdoo,

After your inspection of our facility on 4-13-16 you noted 2 items that need to be corrected.

1. The few places where there was some erosion on the banks, grass seed was put down and the grass is now growing and should hold. We will keep watch on these places and if needed we will place rip-rap on those places.
2. The Grant County Road Department has mowed the levees down to the water's edge 2 weeks after the inspection. We have a contract mower for the lagoons and he mows once a month but cannot get to the water's edge on the inside of the levees. The Grant County Road Department has a side mount mower and they mow the ponds twice a year. The first time was the first week of May. Photos will be mailed once I get them developed.

If you have any questions feel free to call me at 870-942-2722.

Sincerely,
David Fitzgerald

Dear Mr. Fitzgerald,

The Department has received your response to the April 13, 2016 inspection of your site. Your response appears to adequately address the discrepancies identified during the visit. The Department assumes the corrective actions taken will be maintained to ensure consistent compliance with the requirements of the permit. Acceptance of this response by the Department does not preclude any future enforcement action deemed necessary at this site or any other site.

The Department will keep the inspection and response on file. If future violations occur that require enforcement action, the Department will consider the inspection and response as required by the Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires the Department to consider the past history of your site and how expeditiously the violations were addressed in determining any civil penalty that may be necessary for any future violations.

If we need further information concerning this matter, we will contact you. Thank you for your attention to this matter.

If I can be any assistance, please contact me at mcadoo@adeq.state.ar.us or 501-683-0827.

Sincerely,

Erica McAdoo
