Mizan,

The Division has read the study and are satisfied with the inflow and infiltration calculations. The CAP seems to adequately address the criteria intended to evaluate and overcome Sanitary Sewer Overflows in Forrest City's wastewater collection system.

Your submissions have been approved.

Layne,

Attached please find a pdf copy of the cover letter along with a workplan for the Phase 2 SSES study and a milestone schedule for your review. The original hard copy along with a copy of the final report of the I/I study is being delivered to you. Please let me know of any comments or suggestions you may have.

Regards,
Mizan
