CAO Quarterly Reporting Requirement – Quarter 1 & 2 - 2018

Dear Mr. Pemberton,

This letter is in response to your email dated October 2, 2018 to Mayor Bryant and Mr. Calvin Murdock. Based on your email it appears that we may have missed sending you quarterly reports on effluent violations referenced in the CAO. The City's original response to the effluent violations referenced in the CAO was submitted on January 17, 2018. In that response we articulated the reasoning for the violations and concluded that there were no further actions to be taken except to monitor the effluent and manage the operation accordingly. The City has been monitoring the effluent and I am happy to report that there were no effluent violations in the first two quarters of this year.

We will continue to monitor and submit reports as outlined in the CAO. Please feel free to contact me if you need additional clarifications. I can be contacted at 501-375-1786.

Sincerely,

Mizan Rahman, P.E.
Principal
