DEQ reviewed the Permit for AR0020273.

The following enforcement issues were discovered: Overdue DMR Parameter Violations: 001-A 07/31/2019 for CBOD (80082) received late 05/01/2020.

Please keep in mind that all late DMRs are violations on the Permit and can lead to formal enforcement.

Thank you for your help with this enforcement issues.
