RE: NPDES Permit No. AR0020605

To Whom It May Concern;

For the month of January we exceeded our BOD monthly average. Our limit is 30 and I am reporting 33.3. There were 2 sample dates in particular with higher than normal outcomes that could have put us over the limit. There really is no explanation as to why other than fluctuating water temperatures. So far we have not had any more unusual sample outcomes. If you have any questions please don't hesitate to call.
