RE: Permit AR0021466
Receipt of Final Report and CAO Closure Request

Dear Mr. Gross,

Thank you for your submittal and email. The report is under review and a status will be sent once the review is completed.

Should you have additional questions, or desire additional information, please contact me directly.

Kindest Regards,

Subject: NPDES Permit No. AR0021466 AFIN 17-00059Final Report

Good morning, Myrl,

I'm attaching the final report for Alma CAP and a request for closure in case you did not receive the one I sent on January 15. I want to make sure you receive it by the end of January as we discussed.

The construction permit completion form with the associated plans and documents were sent to Loretta Carstens in Permits.

Thanks much for your help during this CAP.

Mark Gross
