RE: NPDES Permit Tracking Number AR0021466, AFIN 17-00059,
Missing Discharge Monitoring Report

Dear Mr. Yardley:

We have reviewed the referenced file and have determined the Discharge Monitoring Reports (DMRs) for the **09/30/2009 and 03/31/2010** Monitoring Periods, Discharge Number **(TX1-Q)**, are not on file. Failure to submit required reports is a serious permit violation and subjects you to penalties under Part II, Section A of your permit, not to exceed \$10,000 per day of violation.

If you have already sent the DMR in question, please re-send a copy of it so we may place it on file and correct our records. The copy should be re-signed with an **original signature and date** by the Cognizant Official. If you have not sent the DMR in question, please do so immediately. Your response should reach the Department by **December 31, 2010**. Please note that carbon copy, fax, or photocopy signatures are unacceptable.

Thank you for your attention to this matter. Refer to NPDES Permit Tracking Number AR0021466 and AFIN 17-00059 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0631 or e-mail to meints@adeq.state.ar.us.
