Good Afternoon Daniel,

Per permit AR0021601, you are required to achieve compliance with effluent limitations (see details below) by 4/30/2022. Your facility has achieved final compliance with TRC and WET. I have attached DMR effluent results for reference. No actions are required.

- Achieve Final Compliance with the Final Effluent Limitations for Total Residual Chlorine and C. dubia WET lethal and sub-lethal limits.

Thank you,
