Dear Mr. Joyner,

The Department has received your letter of September 7, 2012 regarding the schedule for the collection system repairs and upgrades. It is the Department's intent to put this letter on file as the first status report for the ongoing sewer improvement project, however all reports submitted to the Department must be certified as detailed in your Permit Part II(11)(c). Please add the certification and the official stamp of your organization and re-submit the letter. Additionally, the Department would like to receive a semi-annual progress report on the improvement work, to be submitted by March 1 and September 1 of each year until project completion.

Thank you for your attention to this matter, the Department appreciates your cooperation. Should you have any questions, feel free to contact me at 501-682-0631 or you may e-mail me at johnsonm@adeq.state.ar.us
