RE: Overflow Reporting for NPDES Permit No.'s AR0033278 and AR0021750

660-01653

Dear Ms. Williams:

Attached are the overflow reports for October 2012 for the above referenced permit numbers. It should be noted that in all instances the overflows were the result of a significant wet weather event. Overflow duration and flow are estimates only. No adverse impacts have been noted or reported to the City.

Should you require further information, please advise.

Sincerely,

Steve Parke
Director of Utilities *for*
