Dear Mr. Mallett:

We have reviewed the above referenced file and determined the Discharge Monitoring Reports (DMRs) for the following monitoring periods are not on file:

- 4/25/2020; Discharge Number 001-A Chlorine, total residual
- 3/25/2020; Discharge Number 001-A Chlorine, total residual

Submittal of these forms will be required. If analysis was not conducted, please write an "E" in each section for that parameter on the DMRs provided to denote "Analysis Not Conducted".

Submit two legible copies of the missing and corrected DMRs with an **original signature and date (RE-SIGN and RE-DATE)** by the Cognizant Official. These copies should be received by the Department no later than **August 28, 2020**.
