Subject: Permit Requirement Due Date Reminder

Good morning,

This is just a friendly reminder that per the requirements of Part II, Item 7, Condition B of the Permit for City Corp. Russellville (AR0021768, 58-00105), the following is to be submitted to DEQ by **September 30, 2023**:

- Submit either a WRITTEN CERTIFICATION that existing TBLLs are adequate, or a WRITTEN NOTIFICATION that TBLLs will be revised within 12 months of the permit effective date (August 1, 2024).

You are welcome to send this report via email to water-enforcementreport@adeq.state.ar.us or you may send it directly to me at this email address. Please **do not** submit the report to Christina McCutcheon, as she is no longer with DEQ.

My direct line is 501-682-0758 should you have any questions about this report.

Thank you for your attention in this matter.
