This e-mail is to inform you that on January 12, 2013 at 6:10 pm City Corporation began bypass procedures and ended the procedures January 13, 2013 at 11:20 pm at its Wastewater Treatment Plant due to excessive storm events experienced in the area. The bypass was necessary to prevent damage to the plant and no other feasible alternatives exist. The bypass is in accordance with "Section 4. Bypass of Treatment Facilities, Page 4 of Part III" of the current permit. The full report will be mailed in the next few days. This notification is being provided to the Arkansas Department of Environmental Quality (ADEQ) in accordance with NPDES Permit No. AR0021768.
