Subject: Stormwater Blending Permit No. AR0021768

This e-mail is to inform you that on November 6, 2013 at 07:00 am City Corporation began bypass procedures at its Wastewater Treatment Plant due to excessive storm events experienced in the area and ended the procedure at 11:00 am. The bypass is necessary to prevent damage to the plant and no other feasible alternatives exist. The bypass is in accordance with "Section 4. Bypass of Treatment Facilities, Page 4 of Part III" of the current permit. The full report will be mailed in the next few days. This notification is being provided to the Arkansas Department of Environmental Quality (ADEQ) in accordance with NPDES Permit No. AR0021768.

If you have any question or need additional information, please contact Larry Collins at 1.479.968.2080 ext 222
