RE: NPDES Permit No. AR0021768, AFIN 58-00105

Dear Mr. Anderson:

This letter is to inform you of City Corporation's operation change at the Pollution Control Facility on Wednesday, September 5, 2012. In an effort to increase the BOD loading to the aeration basin the north rock trickling filter was taken off line. City Corporation staff will continue to monitor this change in operation to ensure compliance with permit limits.

If you have any questions concerning this report, please contact me at 479-968-5797.

Sincerely,

A handwritten signature in cursive script that reads 'Larry Collins'.
