RE: NPDES Permit No. AR0021971, AFIN 18-00110, CAO, LIS 12-035, Clarification of Corrective Action Plan and Milestone Dates

Dear Mayor Fogleman:

The Department has reviewed the August 28, 2012 letter which clarifies the questions which originated during the review of the Corrective Action Plan (CAP). The Department has no further comment at this time.

Please make note of the following milestone reports which are to be submitted to the Department:

- 03/01/2013- Please submit an engineer approved report which certifies that chemical based corrective action has proven effective and reliable, or an engineer approved report certifying that a construction based corrective action is necessary.
- 07/01/2014- If applicable, please submit written certification that construction has begun.
- 07/01/2015- If applicable, please submit written certification that construction is complete.
- 08/01/2015- Please submit written certification that all corrective action is complete and compliance with the effluent limits of the permit has been achieved.

Failure to submit the aforementioned reports may subject the City of Marion to the stipulated penalties established in the CAO. Furthermore, please consult with the ADEQ Water Division Permits Branch for information concerning permitting required by the execution of the corrective action.

Please mail the documentation described above to the Water Division / Enforcement Branch of ADEQ. Please refer to NPDES Permit No. AR0021971 and CAO LIS 12-035 in any written correspondence to ADEQ. Should you have any questions, feel free to contact me at 501-682-0635 or you may e-mail me at anderson@adeq.state.ar.us.

Sincerely,

Alan Anderson
