Good afternoon,

Per your earlier conversation with Richard, I am providing copies of the paper DMRs for the monitoring periods of 06/2023 – 09/2023. Please continue the registration process in NetDMR, so that future DMRs can be submitted online.

The DMRs for June 2023 are due by July 25th. You may submit the DMRs to me at this email address.

Thank you,

KRISTEN GRAHAM
