## Arkansas Division of Environmental Quality

5301 Northshore Drive North Little Rock, AR 72118-5317

To whom it may concern,

I am writing this in response to the missing Noncompliance Reports (NCRs) stated in the Consent Administrative Order (CAO) sent to the City of Marion. I am the current director of the water and sewer system for the City of Marion, Scott Marshall. I started at the beginning of July 2023 with the city and the missing 14 NCRs stated in the CAO were from June 2021 to June 2023. As I was not here I could not fill out the missing NCRs with the details needed for completion.

I do acknowledge that NCRs are an important part of maintaining the city discharge permit. I will be responsible for including them in reports going forward as needed.

Sincerely,

**Scott Marshall**

Director of Utilities
