Re: City of Marion
NPDES Permit No. AR0021971
AFIN-00110

Dear Baily,

The City of Marion did exceed our BOD monthly average again in December 2020 however, our first two samples in January are within permit limits. We do think this violation is weather related (Temperature, Rainfall and Lagoon turnover. We do anticipate compliance for January 2021.

Sincerely,

Jim Shempert
Marion Water and Wastewater Manager
