NPDES Permit No. AR0021971  
AFIN- 00110

Dear Baily,

As we continue to work with our consultant addressing our BOD, we still are out of compliance on our monthly average. This month we have seen a significant reduction of more than 50%, and we are back in compliance for our 7-day average. We will continue to work diligently to resolve this issue and become compliant to our permit as soon as possible.

Sincerely,

Jim Shempert  
Marion Water and Wastewater Manager
