Importance: High

Good afternoon,

As was noted in the Effluent Violations Warning Letter sent earlier today, DEQ is drafting a proposed Consent Administrative Order (CAO) for the City of Marion (AR0021971, AFIN 18-00110) to address multiple violations. This will include a civil penalty.

If you would like to schedule a Zoom call to further discuss this matter, please let me know if any of the following dates/times will work for you:

December 7th: 9am, 3pm
December 8th: 10am, 11am
December 11th: 9am
December 12th: 10am, 11am, 1pm

We request that, at minimum, the Mayor, wastewater operator, and engineer be in attendance. Please let me know which time slot will work best for you ASAP, as these availabilities are subject to change.

Thank you,

KRISTEN GRAHAM
