Arkansas Department of Environmental Quality  
5301 Northshore Drive  
North Little Rock, Arkansas 72118-5317

May, 2014

Non-Compliance Letter:

The City of Marion has received an excessive amount of rainfall for the month of May, (about 8 inches) causing our TSS and BOD numbers to be out of parameter compliance. We have also so far in the month of June received about 6 inches of rain. We think we will be back in compliance with more normal rainfall.

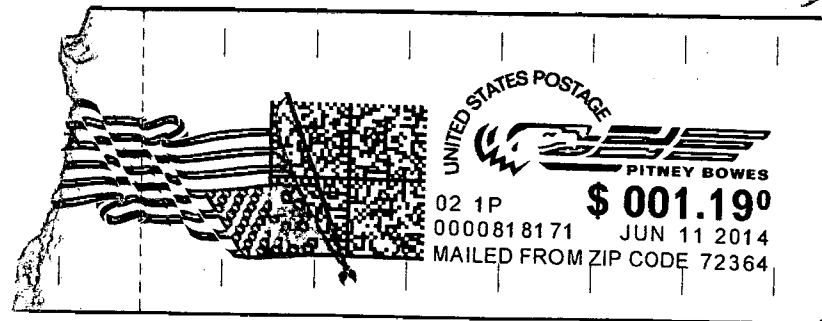

Jim Shempert

Water Utilities Manager
