RE: NPDES Permit Tracking Number AR0022021, AFIN 54-00086

Dear Mayor Hollowell:

A review of the NPDES file for the above facility has revealed that the following Discharge Monitoring Reports (DMRs) have not been received by the Department:

- DMR Monitoring Period End Date 09/30/2016, Discharge TX1-Q

These DMRs must be submitted as soon as possible via NetDMR. Your response should reach the department by **December 12, 2017**.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0056 or you may e-mail me at [david.miller@adeq.state.ar.us](mailto:david.miller@adeq.state.ar.us)
