RE: NPDES Permit Tracking Number AR0022021, AFIN 54-00086,
Deficient Discharge Monitoring Report

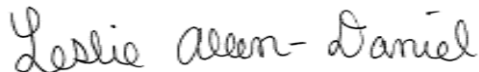

Dear Mr. Fratesi:

We have reviewed the above referenced file and determined the Discharge Monitoring Report (DMR) for monitoring period ending 1/31/2015; Discharge Number 001-A is missing the values for phosphorus (00665). If analysis was not conducted, please write an "E" in each section for that parameter on the DMRs provided to denote "Analysis Not Conducted". Submittal of this form will be required.

Please submit the corrected DMR, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMRs with an **original signature and date** (RE-SIGN and RE-DATE) by the Cognizant Official. These corrected copies should be received by the Department no later than **June 3, 2015**.

Thank you for your attention to this matter. Please refer to NPDES Permit Tracking Number AR0022021 and AFIN 54-00086 in any written correspondence to this Department. Should you have any questions, feel free to call me at 501-682-0630 or e-mail me at allen-daniel@adeq.state.ar.us.

Sincerely,

Leslie Allen-Daniel
