RE: NPDES Permit Number AR0022292, AFIN 04-00052,
Total Residual Chlorine Monitoring

Dear Mr. Boston:

The Discharge Monitoring Reports (DMR) that monitor for Total Residual Chlorine you have been submitting have an "E" for the parameter value; please change that to "NODI 9". "NODI 9" is a more suitable code for the situation; it means not required this monitoring period. Please make this change starting on the February DMRs.

Thank you for your attention to this matter. Please refer to NPDES Permit Number AR0022292 and AFIN 04-00052 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at bolenbaughm@adeq.state.ar.us.

Sincerely,

Michelle Bolenbaugh
