RE: NPDES Permit Number AR0022292, AFIN 04-00052,
Deficient Discharge Monitoring Report

Dear Mr. Boston:

The Discharge Monitoring Report (DMR) submitted for the 6/30/2009 Monitoring Period, Discharge Number 001B has been received by the Department. Upon review, I noticed that you failed to submit parameter values for the parameters I have highlighted on the DMRs I provided. If analysis was not conducted for a parameter during a given monitoring period please write an "E" in the highlighted section for that parameter. If a parameter value was required by your permit but analysis was not conducted, please provide a Non-Compliance Report detailing why analysis was not conducted.

Please submit the corrected DMRs, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMRs with an **original signature and date** (RE-SIGN and RE-DATE) by the Cognizant Official. These corrected copies should be received by the Department by **June 14, 2011.**

Thank you for your attention to this matter. Please refer to NPDES Permit Number AR0022292 and AFIN 04-00052 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at carlsonm@adeq.state.ar.us.

Sincerely,
