RE: Deficient DMR

Dear Mr. Richardson:

The Department is in receipt of the DMR for the monitoring period ending 6/30/12 for Discharge 002-A. Upon review, it appears the data for Nitrogen Ammonia was not entered and, as such, a corrected copy must be submitted. Please enter the data in the highlighted areas, sign and date the DMR and mark it "Corrected Copy" then submit the original plus one copy to the Department. Please also keep a copy for your records.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0631 or you may e-mail me at johnsonm@adeq.state.ar.us.

Sincerely,

Miles Johnson
