Re: NPDES Permit **AR0022381**, NetDMR Approval

Dear Mr. Latch,

Your signed subscriber agreement for the Heber Springs Wastewater Treatment Plant was received December 12, 2014 and access as Signatory Authority in NetDMR has been approved by the Arkansas Department of Environmental Quality. In addition, your Discharge Monitoring Reports (DMRs) are ready for online submittal. Please log into NetDMR and verify that the permit limits are accurate and let us know if you find any discrepancies.

We appreciate your willingness to use NetDMR and patience while we work to implement this new method for submitting your DMRs electronically. If you have any questions, please contact me at (501) 682-0615 or by email at ramsey@adeq.state.ar.us.

Sincerely,

David E. Ramsey
