Subject: Illegal dump reporting

Good afternoon,

I hope that all is well with you. I would like to make you aware of an illegal dumping activity of used diesel oil into the Pine Bluff Wastewater Utilities collection system. We were notified about 3:20 p.m. yesterday, that someone had dumped some oil into the collection system near our pump station in Industrial Park. We have not been able to determine who is responsible for the illegal dumping. Please advise if there is any additional information required at this time.

Vincent Miles,
Environmental Compliance Director
