Mr. Miles,

The Division of Environmental Quality (DEQ) has completed the review the CAP for Pine Bluff Wastewater, submitted on June 22, 2020 and has the following comment:

- Please submit a final report upon completion of the project. The report should include a written report of what was done to remediate the area and the corrective actions performed. The report should also include photographs of the area showing the remediation and repairs.

The report should be submitted to DEQ by **July 17, 2020**.

If you have any questions or need additional information, please don't hesitate to contact me.

Thank you for your attention to this matter.
