RE: NPDES Permit Number AR0033723, AFIN 70-00341
Request for Corrective Action Plan (CAP)

Dear Mayor Smith-Creer:

The Division is in receipt of the Corrective Action Plan (CAP) dated June 29, 2021. The CAP has been reviewed and has been deemed to be adequate.

The Division request that you immediately implement the CAP and begin to submit the first quarterly progress report by the 15th of August 2021. The quarterly reports should continue until the closure of the CAP. Upon completion of the CAP, the City of El Dorado should submit to DEQ a letter, signed and stamped by a State Certified P.E., stating the CAP is completed and the facility is in compliance with the permit. Any changes to the CAP should be reported to the Division immediately.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0667 or at gavin.gray@adeq.state.ar.us.

Sincerely,
