RE: LIS 12-167, AFIN 70-00341, NPDES Permit No. AR0033723,
Closure of Consent Administrative Order (CAO)

Dear Mr. Smith:

In reviewing the files for the above referenced CAO, the Department has determined that the requirements of the CAO have been met; therefore, CAO LIS No. 12-167 was closed on February 28, 2014.

The Department assumes that the actions taken to comply with the requirements of the CAO will be maintained. Closure of this Order by the Department does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Department will consider this Order as required by Arkansas Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires the Department to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Michelle Bolenbaugh by e-mail at the following email address bolenbaughm@adeq.state.ar.us or by phone at 501-682-0667.

Sincerely,

Ellen Carpenter
