RE: NPDES Permit Number AR0033723, AFIN 70-00341

Dear Mayor Smith-Creer:

A review of the NPDES file for the above facility has revealed that the following Discharge Monitoring Reports (DMRs) were received late:

- 010S-A, Monitoring period end date of 01/31/2018
- 010S-A, Monitoring period end date of 01/31/2019

Please keep in mind that all DMRs are due by the 25th of the month following the monitoring period end date.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at gavin.gray@adeq.state.ar.us

Sincerely,

A handwritten signature in blue ink that reads "Gavin Gray".

Gavin Gray
