RE: NPDES Permit Number AR0033766, AFIN 28-00470

NPDES Permit Effluent Violations

Dear Ms. Ellington

A recent review of the NPDES file for the above referenced facility for the period of August 1, 2015 through October 31, 2015 revealed the effluent violations detailed in the included list.

Arkansas Pollution Control and Ecology Commission regulations and your NPDES Permit require you to take all reasonable measures necessary to eliminate or prevent the occurrence of violations. Please note that any violation of your permit can lead to enforcement action by ADEQ pursuant to the Arkansas Water and Air Pollution Control Act. Also, be aware that we maintain records of violations and of non-compliance reports documenting corrective action to determine the appropriateness and level of the enforcement action.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0635 or e-mail <a href="mailto:anderson@adeq.state.ar.us">anderson@adeq.state.ar.us</a>.

Sincerely,
