Re: NPDES Permit No.: AR0033766, AFIN: 28-00470, Response to Inspections

Dear Mr. Phillips:

The Department has reviewed the response to the compliance inspections conducted on May 18-19, 2011 by District Field Inspector Michael Greenway. The Department has deemed the response satisfactory and has no further comment regarding these particular inspections.

The Department will keep the inspections and response on file. If future violations occur that require enforcement action, the Department will consider the inspections and response as required by the Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires the Department to consider the past history of your facility and how expeditiously the violations were addressed in determining any civil penalty that may be necessary for any future violations.

If we need further information concerning this matter, we will contact you. Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0635 or you may e-mail me at anderson@adeq.state.ar.us.

Sincerely,

Alan Anderson
