RE: Permit Number: AR0033880, AFIN: 26-00145
Closure of Consent Administrative Order LIS 17-119

Dear Mr. Ledbetter:

In reviewing the files for the above referenced Consent Administrative Order (CAO) LIS 17-119, the Department has determined that the requirements have been met. Therefore, CAO LIS 17-119 are closed as of the date of this letter.

Closure of this Order by the Department does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Department will consider this Order as required by Arkansas Pollution Control and Ecology Commission Regulation No. 7, Civil Penalties. This regulation requires the Department to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Leslie Allen-Daniel at 501-682-0630 or allen-daniel@adeq.state.ar.us.

Sincerely,

Caleb Osborne
Associate Director, Office of Water Quality
