Response to Revised Bacteria Sampling and Communications Plan for SSOs in Hot Springs**

Dear Mr. Ledbetter,

The Division of Environmental Quality, Office of Water Quality (DEQ) has received your Revised Bacteria Sampling and Communications Plan for SSOs in Gulpha Creek and Spencer Bay (Plan), dated October 26, 2022. DEQ has completed its review of the Plan and has no comments at this time, as the Plan seems to adequately address the requirements. No additional information regarding the Plan is required at this time.

Please continue with the procedures outlined in the plan. If any of the Plan should change, please notify DEQ of the changes.

Thank you for your attention to this matter. Should you have any questions or need additional information, please do not hesitate to contact me at 501-682-0630 or you may email me at allen-daniel@adeq.state.ar.us.

Sincerely,

A handwritten signature in cursive script that reads "Leslie Allen-Daniel".
