RE: NPDES Permit Number AR0034347, AFIN 27-00022
Corrective Action Plan

Dear Mayor Wise:

The Division is in receipt of the Corrective Action Plan (CAP) dated February 7, 2020. The CAP has been reviewed and has been deemed to be adequate.

The Division request that you immediately implement the CAP and begin to submit the first quarterly progress report by the 15th of March 2020. The quarterly reports should continue until the closure of the CAP. Upon completion of the CAP, the City of Sheridan should submit to ADEQ a letter, signed and stamped by a State Certified P.E., stating the CAP is completed and the facility is in compliance with the permit. Any changes to the CAP should be reported to the Division immediately.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at gavin.gray@adeq.state.ar.us

Sincerely,

Gavin Gray
