Deficient Discharge Monitoring Report

Dear Mr. Fitzgerald:

The Discharge Monitoring Report (DMR) submitted for the December, 2008 Monitoring Period, Discharge Number (pipe) 001A has been received by the Department. Upon review, I noticed that you failed to report a reading for the mean daily stream flow quality or concentration. Submittal of a corrected copy of this form will be required.

Please submit the corrected DMR, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMR with an **original signature and date** by the Cognizant Official on at least one copy. These corrected copies should be received by the Department **on or before March 13, 2009**.

Thank you for your attention to this matter. Please refer to NPDES Permit Tracking Number AR0034347 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0636 or you may e-mail me at boycej@adeq.state.ar.us.

Sincerely,

James D. Boyce
