RE: NPDES Permit Number AR0036498, AFIN 63-00063
Non Compliance (NCR) and Sanitary Sewer Overflow (SSO) Reports for Feb 2019

Dear Mr. Buff,

The NCR and SSO reports for February were received by the Department and deemed adequate. Your diligent submission and explanation is most appreciated.

Any violation of the Permit is significant and every effort should be made to prevent violations from occurring. At this time, no further enforcement action for these violations is being considered. Should additional violations occur, the Department reserves the right to consider these violations for further enforcement action.

Should you have additional questions or desire further assistance please contact me directly.

Sincerely,
