RE: NPDES Permit Tracking Number AR0038466, AFIN 29-00034,
Deficient Discharge Monitoring Report

Dear Ms. Cook:

The Discharge Monitoring Report (DMR) submitted for the **December 31, 2007** Monitoring Period, Discharge Number **001Q** has been received by the Department. Upon review, I noticed that you failed to submit parameter values for Total Recoverable Thallium (MO AVG and 7 DA AVG, ug/L) and Total Recoverable Zinc (MO AVG, lb/d; and MO AVG and 7 DA AVG, ug/L). Submittal of a corrected copy of this form will be required.

Please submit the corrected DMR, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMR with an **original signature and date** by the Cognizant Official on at least one copy. These corrected copies should be received by the Department **by March 3, 2011**.

Thank you for your attention to this matter. Please refer to NPDES Permit Number AR0038466 and AFIN 29-00034 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0632 or you may e-mail me at bolenbaugh@adeq.state.ar.us

Sincerely,

Jason Bolenbaugh
