Progress Reports for SSOs

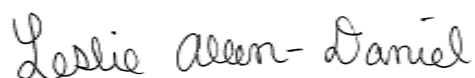

Dear Ms. Hughes:

On January 8, 2020, the Division received the third progress report detailing the corrective actions and progress made toward addressing the SSOs for the above referenced facility. The Division has completed their review of the progress report and has determined they are no longer necessary. No additional correspondence is necessary at this time.

Acceptance of the response does not preclude any future enforcement action deemed necessary by the Division.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at (501) 682-0630 or by email at allen-daniel@adeq.state.ar.us.

Sincerely,

Leslie Allen-Daniel
