Re: NPDES Permit Number AR0043401, AFIN 16-00936

Dear Administrator:

This notice is to inform your agency of a non-compliant incident which occurred at the CWL Eastside POTW (NPDES Permit Number AR0043401).

<u>Date of Incident</u>	<u>Non-compliant Parameter</u>	<u>Parameter Result</u>	<u>Permit Requirement</u>
04/19-24/2020	C. dubia-Lethality	<32%	Not <100%

Reason for Incident:

Presumed to be protozoa and/or bacteria in the effluent

Expected Duration of Incident:

4/19/2020 – 4/24/2020

Incident caused by intermittent protozoan/bacterial interference.

Corrective Measures Taken:

Voluntary Toxicity Identification Evaluation (Attached)
Monthly Re-tests (Attached)

Measures Taken to Prevent Re-Occurrence:

None

Effect on Receiving Stream:

None

If more information is required, please contact my office at 870.935.5581.

Sincerely,

Jake Rice, III
Manager
