Permit Number: AR0046566, AFIN 38-00040**

Dear Mr. Kopp:

The Arkansas Department of Environmental Quality - Water Division (ADEQ) has received the City of Walnut Ridge's corrective action plan, final report and civil penalty as required by CAO LIS 10-156. Based on the information provided, all requirements of CAO LIS 10-156 have been satisfied and no further actions are required. Please continue to maintain compliance with all effluent limits outlined in Part 1 Section A of your Permit. ADEQ greatly appreciates your efforts regarding this matter.

If you have any questions or concerns, please contact Kevin Suel at 501-682-0823 or suel@adeq.state.ar.us.

Sincerely,

Ryan Benefield, P.E.
