Flag Status: Completed

Daniel – With this latest quarterly update, it places Walnut Ridge beyond the due date for the CAO. We have kept you apprised of your schedule with these quarterly reports. An extension is in order. More than likely Walnut Ridge will have a funding short fall on the project to be able to complete the necessary improvements. We are working through a timeline to obtain the funding. I feel this will be complete by the end of the month and an extension date can be established. If you want to discuss, feel free to give me a call.

Thanks - Craig
