RE: Permit No.: AR0046566 AFIN: 38-00040

Dear Mayor Snapp:

In reviewing our records for the above-mentioned permitted facility, the Department notes that the following scheduled event is past due:

Status/Progress Report	Due: 7/01/2018
Report progress toward attaining the final effluent limits for Total Recoverable Mercury limit and Ceriodaphnia dubia Sub-lethal WET limit.	

Please submit the requested progress report. Your response should reach the Department by November 30, 2018.

The Department appreciates your continued cooperation and wishes to take this opportunity to remind you that late submittals may lead to formal enforcement action pursuant to the Arkansas Water and Air Pollution Control Act.

Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0649, or you may e-mail me at rathe@adeq.state.ar.us.

Sincerely,

A handwritten signature in blue ink that reads "Rebecca A. Rathe".
