Mayor and Permittee Meeting

Dear Mayor House:

On January 5<sup>th</sup>, 2011, I made correspondence with you to set up a meeting with the new administration for the city of Walnut Ridge; in regards to the permit number AR0046566. We discussed possible dates for this meeting and you informed me that you would bring Mr. Lester Herring to attend this meeting as well. We came to an agreement that the meeting will be held here at the Arkansas Department of Environmental Quality at 1:30 p.m. on January 24<sup>th</sup>, 2011.

A brief overview of the meeting agenda would include but not limited to the following: Walnut Ridge Permit history, violation history in accordance to their permit, and to get the new administration up to speed on this history. There were also several questions that you had in regards to the permit that we can discuss at this meeting.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0823 or you may e-mail me at [suel@adeq.state.ar.us](mailto:suel@adeq.state.ar.us).

Sincerely,
