RE: NPDES Permit Number: AR0046566, AFIN: 38-00040
PROPOSED CONSENT ADMINISTRATIVE ORDER 2nd ADMENDMENT

Dear Mr. Little:

On July 10, 2017, the Arkansas Division of Environmental Quality (DEQ) and the City of Walnut Ridge entered into Consent Administrative Order (CAO) LIS 17-040. Pursuant to Order and Agreement Paragraph 1 of CAO LIS 17-040, the City of Walnut Ridge agreed to achieve compliance with all permitted effluent limitations no later than June 1, 2020. On February 1, 2019, the City of Walnut Ridge requested extension of final compliance date to July 31, 2020. On August 14, 2019, DEQ and the City of Walnut Ridge entered into CAO LIS 17-040-001. On October 14, 2020, the City of Walnut Ridge requested extension of final compliance date. After careful consideration, DEQ is willing to accept this request.

Attached is a copy of the CAO Amendment in this matter. If you choose to accept the terms of the CAO Amendment, please sign, date, and **email the CAO to Danielle.harbin@adeq.state.ar.us** within **twenty (20) calendar days** of receipt of this letter. A City Council Resolution that approves the CAO and authorizes the Chairman and Clerk/Treasurer to sign the CAO Amendment on behalf of the City of Walnut Ridge must also be submitted. Subsequently, the Director of DEQ will sign the CAO Amendment and the City of Walnut Ridge will be provided a copy, including information on the public notice process and the effective date of the CAO Amendment.

Should you wish to discuss this matter further, you may contact me at (501) 682-0056, or you may e-mail me at danielle.harbin@adeq.state.ar.us.

Sincerely,

A handwritten signature in cursive script that reads "Danielle Harbin".
