RE: NPDES Permit No. AR0046566; AFIN: 38-00040
NPDES Permit Effluent Violations

Dear Mr. Kopp:

A review of the DMRs for the reporting period January 2014 through December 2015, revealing that your facility violated the following permit limitations respectively:

DATE	DISCHARGE NUMBER	PARAMETER	VIOLATION	LIMIT
10/31/2015	001-A	Solids, total suspended, (Mo Avg, lb/d	E90	148.9

As you know, Arkansas Pollution Control and Ecology Commission regulations and your NPDES Permit require you to take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Please note that any violation of your permit can lead to enforcement action by ADEQ pursuant to the Arkansas Water and Air Pollution Control Act. Also, be aware that we maintain records of violations and of non-compliance reports documenting corrective action to determine the appropriateness and level of the enforcement action.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-7399 or e-mail at farmers@adeq.state.ar.us.

Thank you,

Sandra J Farmer
